IBM CLOUD ACCOUNT CREATION

Step 1: Search for “ibm.com/academic” in the browser

Step 2: Enter the mail issued by the academic institution and follow the procedure for entering the details which is provided as video link in your IBM profile.

A screenshot of the IBM SkillsBuild Software Downloads registration form. The page has a dark blue header with the text 'IBM SkillsBuild Software Downloads' and a help icon. On the left side, there is a video player showing two women working on a laptop. The main content area has the heading 'Enter your academic institution issued email to begin'. Below this, there is a paragraph of text: 'Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register.' There is a text input field labeled 'Your academic institution issued email'. Below the input field, there is a link: 'Find answers in our frequently asked questions'. At the bottom, there is a blue 'Submit' button.

Step 3: After following the procedure that is given in reference video, your IBM cloud account will be created.
